Won't You Be My Neighbor *Morgan Neville's acclaimed documentary looks at the life, legacy, and philosophy of Fred Rogers, creator and host of the beloved children's program "Mister Rogers' Neighborhood."  - OPEN SPACE worship experience (Chapel)
"Open Space" is the name of a joint venture with Church of the Apostles (COTA) and the Fremont Abbey Arts Center, initiated by COTA in 2015 through a grant from the Diocese of Olympia. The concept behind Open Space is to offer a monthly contemplative experience, incorporating music, visual arts, and prayer stations. The experience was designed to be an extension of COTA's own Sunday Eucharist Open Space time. This version of Open Space will be centered around the life of St. Francis of Assisi and elements of the natural world, and will feature live music performed by Lacey Brown.
