

A8 Voting Instructions

Getting Ready

- Every voter will receive an assigned handset/keypad at the Registration Desk.
- Turn on your keypad with the Power Button.

Voting

- The Chair will announce the start of a vote.
 - Press 1 for Yes / Aye OR Press 2 for No / Nay
- For elections, enter the candidate number from the projected slide.
- If an election requires more than one choice, enter all of the candidate numbers of your choice (up to the amount specified by the election instructions), then press Send. (ex. 2, 5, Send)
- You will have 30 seconds to complete your vote.
- To change your vote before voting has ended, simply vote again.
- The last vote showing on your handset when voting closes is the one that will be counted.
- If you have a problem with voting, visit the Registration Desk.

During the Meeting

- If you leave your seat, take your keypad with you.
- Do not trade devices with anyone else. Each device serial number is assigned to a specific person.

After the Session

- Keep your keypad with you. You are responsible to return the keypad at the conclusion of the convention. There will be collecting boxes/baskets at the exits of the ballroom.
